

GUIDELINES FOR POSTER WALK PRESENTERS

POSTER FORMAT

- Posters will be displayed on electronic poster panels (e-posters). Your submitted abstract will automatically be displayed in the system.
- **No additional poster upload or specific format is required.**
- There is the opportunity to enhance the abstract by uploading up to two images. These can either be your own images or slides created using the provided PowerPoint template (please adapt as needed and save them as .jpg files).
- Should you wish to upload images or make any additions to your abstract, kindly contact us at surgery@iss-sic.com. Please note that uploads and modifications are possible until **31 March 2026**.

POSTER WALK SESSIONS

- Poster discussion sessions will take place according to the **final scientific program**.
- The **presenting author must be present at the assigned poster panel** during the scheduled session. Posters will be displayed on electronic poster panels (e-posters).

BEFORE THE SESSION

- Authors should prepare a brief oral summary including:
 - Background
 - Methods
 - Key results
 - Main conclusion

AT THE TIME OF YOUR PRESENTATION

- Strictly adhere to the allocated presentation time
- Please be present in the poster exhibition at least 10 minutes before the session begins.
- Respecting time limits ensures fairness to all speakers and maintains program integrity.

PRESENTATION DELIVERY

Preparation

- Plan and structure your presentation carefully.
 - **Avoid unexplained abbreviations** or jargon.
-
