

GUIDELINES FOR FREE PAPER PRESENTERS

ARRIVAL & PREPARATION

- Collect your registration materials at the registration desk upon arrival.
- All presenters are strongly encouraged to check their presentation compatibility at the Speakers' Preview Room:
 - preferably the day before the presentation
- A qualified technician will be available in both the Speakers' Preview Room and session rooms.

Please note: Early technical checks reduce stress and ensure smooth session flow, especially when using videos or embedded media.

AT THE TIME OF YOUR PRESENTATION

- Strictly adhere to the allocated presentation time, to ensure Q&A at the end.
- Please be present in your session room at least 10 minutes before the session begins.
- Respecting time limits ensures fairness to all speakers and maintains program integrity.

- Include the mandatory **Conflict of Interest slide**.
- Bring your presentation on a **USB flash drive** and submit it to the technician.
- Mac users must save files in PC-compatible format. (as **Keynote** presentations are **not supported**).

PRESENTATION DESIGN & DELIVERY

Slide Preparation

- Plan and structure your presentation carefully.
- **Avoid unexplained abbreviations** or jargon.
- Prefer simple colored backgrounds; **limit colors for consistency**.
- **Maximum 6 bullet points** per slide.
- Use graphs and visuals over text whenever possible.

Effective Presentation Structure

1. **Introduce your topic and objectives**
2. **Present methods, results, and conclusions**
3. **Summarize key take-home messages**

Please note: Slides should support your message — not compete with it. Clear delivery, controlled pacing, and confident presence enhance audience engagement and message retention.
